Best Player Nickname:

2023-24 Season Outlook: We are returning a great core group of talent and experience, even with the losses of some very important players that will be missed. The players we have added are very talented, hard-working, professional, and enthusiastic. A month into practices so far, we have shown good competitiveness, high basketball IQ, and great effort. Similar to last year, we will defend at a high level as we continue to build offensive chemistry, with the hopes of another very successful season.

Head Coach Quote: “I have been very pleased with the output thus far, and the commitment shown from the group. Coming off of a second straight championship game appearance, the hunger is there, but it is understood that we are a long way from being where we need to be to compete for another one. But, the potential is there for this group to be very special. We will take it one practice at a time and let the work speak for itself.”
