**FOR IMMEDIATE RELEASE**

**Pittsburgh, PA** – CollClubSports and the National Club Basketball Association (NCBBA) are thrilled to announce the promotion of Matt Hazi to Vice-President of Basketball Operations, effective immediately.

Matt has quickly rose the ranks within the NCBBA since his start in January of 2022 when he was hired as the Assistant Director of Men’s Basketball Operations. In just 6 months, Matt was promoted to Director of Men’s Basketball operations, overseeing the Men’s day-to-day operations. After leading the Men’s Basketball League to extremely successful seasons in 2022-2023 and 2023-2024, it was an easy decision to get him involved on the women’s side as well. In July of 2024, Matt was promoted to Director of Men’s & Women’s Basketball Operations.

This past year, under the leadership of Matt, the NCBBA Men’s & Women’s league continued to experience tremendous growth in membership. Matt also spearheaded co-branded invitational tournaments with member universities. These events were massive successes for both the NCBBA and at the university-member level. At the National Championship, Matt provided the women’s league more exposure, having all semi-final and National Championship Games for both men’s and women’s under one roof. This allowed CollClubSports Media the opportunity to broadcast the Women’s semi-final matchups; something the NCBBA-W has been working towards for a number of years.

With his impressive NCBBA resume to date, it was an easy decision to promote Matt to Vice-President of Men’s and Women’s Basketball Operations. Matt will still be heavily involved on the day-to-day running of both leagues, but will also bring new and innovative ideas to the table; providing our member teams a top-notch experience.

After learning he would be named Vice-President of Basketball Operations, Matt had this to say about his promotion. “My time with the National Club Basketball Association has been nothing but an amazing experience. Since my start in 2022 as the Assistant Director of Men’s Basketball Operations, I have continuously worked to build relationships with every team to ensure they have the best experience possible. With my promotion to Vice President of Basketball Operations, I will continue to elevate every team’s experience, lead with vision for future growth, and build on what is already established with purpose. I’m excited to see what we can accomplish. Let’s take the NCBBA to the moon!”

CollClubSports and the National Club Basketball Association would like to formally congratulate Matt on his promotion and are thrilled to see what he has in store.
