NATIONAL CLUB BASKETBALL ASSOCIATION

Official Tournament Program

Family, Friends, and Fans of the NCBBA,

Welcome to Hagerty Family Events Center in Erie, PA. We are excited to have you join us for the 5th Annual NCBBA-Women's National Championship Tournament. This traditional college town, located along the Great Lake Erie, offers a unique blend of urban attractions and collegiate activities guaranteed to please all ages and tastes making Erie, Pennsylvania an exceptional location to hold this National Championship Tournament. Hagerty Family Events Center will host the tournament on April 10th only. The tournament will move to Highmark Events Center for April 11th and 12th. Where the semi-finals and championship game will be live-streamed.

For those of you who are new to the concept of club basketball, a collegiate club basketball program allows students the opportunity to continue playing competitive college basketball after high school. The beauty of club basketball is that each organization is student-run. Scheduling, planning, equipment purchasing, fundraising and the rest of the off-court management falls directly upon the shoulders of the elected student-officers. When young, motivated, college students put forth the required effort to run a successful club basketball program just for the opportunity to continue playing, what you end up with are quality ball-players. By that we mean those who play for the sheer excitement of the game. They play for themselves and they play for the love of the game. For these reasons alone, each one of these athletes is already a champion. Take the time to congratulate them on the hard work they have put forward to give their Club Basketball Program a chance to compete for the National Championship.

We would like to extend our appreciation to the members of the Highmark Events Center Athletics Department, Hagerty Family Events Center, Erie Sports Commission, Moe's Southwest Grill, Wingate by Wyndham, Hampton Inn, Rawlings Sporting Goods, The Game Headwear, Tytan Athletics, and FundRazr for all of their efforts to make this National Championship Tournament a success. Without their support and enthusiasm, this event would not have been possible. We would also like to thank you, the families and fans, for coming and supporting collegiate club basketball all across the United States. We have experienced tremendous growth within our organization and as the NCBBA-W continues to develop, we hope that your interest will too. Thank you again for coming to the arena. We are sure you will enjoy all of the action.

Sincerely,

Sandy Sanderson

GREAT LAKES REGIONAL CHAMPIONS

The Michigan Women's Club Basketball team was started in 2023 and has consistently performed at a high level. For the past three years, we have consecutively reached regionals and for the first time achieved the regional title. We started off the season going undefeated at the Purdue tournament, before winning ten conference games, only falling twice to our opponents. We can't wait to finish what we started at nationals, competing at the highest level and truly showing what our team is all about: community, hard work, and unity.

Head Coach

Jason Kline

"This team consistently amazes me with their hard work and ability to fight through adversity. I am very proud of the work put in to get to this point, and we are now excited to compete at the highest level again and try to establish Michigan state as a powerhouse in the NCBBA! Our club was founded at Michigan State in 2022 so this is our 4th year as a club and it's really exciting to have come this far especially for the myself and the girls who have been here since the start!" - Jason Kline
